

Burland Firewise

Saws & Slaws Eligibility Questionnaire

Would you like your property mitigated through the ***Burland Firewise Saws and Slaws Program*** which is part of the Burland Homeowners Association?

The mission of the *Burland Firewise Saws and Slaws* Program is to reduce the threat of wildfire by assisting our local communities (Burland Ranchettes, Bailey Mountain, Burland Meadows, Double C, Double S, Park 80 West, Roland Valley, Trails West) with the mitigation of properties, and maintaining its **Firewise Community** status.

Saws and Slaws program statistics: On the average we remove 65 trees at approximately \$150 each; We invest 90 volunteer hours, valued at \$25.00 per hour. The average value per parcel mitigated is \$12,000. Burland Firewise does not charge for this service.

The Burland Homeowners Association (BHOA) and the Property Owner feel a need to improve the forest health and reduce the Wildland Fire Urban Interface Hazard on their property, by thinning vegetation and trees, and felling, limbing, cutting, and removing or chipping live and dead forest fuels.

If yes, please complete the questionnaire below:

Name: _____

Email address: _____

Phone: _____

Physical Address: _____

Mailing Address: _____

Must be a Burland Homeowners Association member \$20 annually or a "Friends of Burland \$25 annually." "Friends of Burland" are the adjacent communities of Bailey Mountain, Burland Meadows, Double C, Double S, Park 80 West, Roland Valley, and Trails West.

If you do not already have one, you will need to ***purchase*** and ***install*** a green and white reflective 911 Address Marker on your property, at a cost of \$10.

You will need to furnish lunch, snacks and beverages for the crew on the day we mitigate your property.
